## FLEET AND FAMILY SUPPORT PROGRAM

The Fleet and Family Support Program (FFSP) promotes self-reliance and resiliency to strengthen the military and its family members, supports mission readiness, and assists commanders in planning for and responding to family readiness needs. The FFSP aims to deliver the best services at the right time and in the right place. The organization's vision relies upon the delivery of products and services to customers as the provider of choice, while building a strong network of partnerships. FFSP strives to anticipate change and maintain an adaptive organization that meets the ongoing needs of Navy families, to enhance family resilience, and decrease the stigma associated with the use of FFSP programs and services. There are currently 76 service delivery sites worldwide, with 58 sites delivering a full portfolio of programs and service.

## Welcome to Korea!

Korea is the only divided country in the world. The division of Korea between North and South Korea was the result of the Allied victory in World War II in 1945

- Chinhae

Chinhae (Jinhae) is a port city with a population of 180,000, located in Changwon city on the southeast coast of Korea. It is strategically important point for Korean Navy and a place of great scenic beauty. Chinhae known as a City of Cherry Blossoms, hosts the largest festival called Gunhangje every April, the trees come into full bloom throughout the city and the surrounding mountains.

- Busan

Busan (Pusan), is South Korea's second most-populous city after Seoul, with a population of over 3.5 million inhabitants.. It is the economic, cultural and educational center of southeastern Korea, with its port—Korea's busiest and the fifth-busiest in the world. It's known for its beaches, mountains and temples. Busy Haeundae Beach features the Sea Life Aquarium, plus a Folk Square with traditional games such as tug-of-war, while Gwangalli Beach has many bars and views of modern Diamond Bridge. Beomeosa Temple, a Buddhist shrine founded in 678 A.D., is at the base of Geumjeong Mountain, which has hiking trails.

## Fleet and Family Support Programs

### Ombudsman Program

An ombudsman is an official representative of the commanding officer and plays a vital role in establishing and maintaining current and accurate communication between the command and its family members. The Ombudsman Program provides personalized support, including resource referrals and information to command families, as well as training support and assistance to commands and ombudsmen.

### Relocation Assistance

Relocation Assistance services include information, workshops and guidance for CONUS permanent change of station (PCS) moves; also provides access to computer-based technology resources to research new installation or locations.

### Life Skills Education

Life Skills are all about self-discovery and exploring new ways to think, interact and solve problems. These workshops focus on communication skills, parenting strategies, conflict management, stress and anger management, and suicide prevention.

### Transition Assistance

Transition Assistance provides career and transition support services to all eligible service members and their families, including career readiness workshops, career counseling, the five-day Transition Goals, Plans, Success workshop, two-day Career Tracks and the Capstone event. Transition Assistance offers SkillBridge training opportunities through career skills programs that promote civilian job and employment training, apprenticeships and internships.

### Family Employment Readiness

Family Employment Readiness offers workshops on career exploration, collateral/outreach, dress for success, federal employment, job search strategies, job fair success, resume writing and volunteer opportunities.

### Sailor Assistance & Intercept for Life

SAIL provides rapid assistance and ongoing risk assessment and support for Sailors who have exhibited suicide-related behavior.

### Family Emergency Response

Family Emergency Response provides and coordinates disaster assistance in support of Navy personnel and families during emergent situations. Emergency case managers assist, coordinate and advocate for services on behalf of those affected by a natural or man-made disaster. The Navy Family Accountability and Assessment System (NFAAS) is a web-based tool used to account, assess, manage and monitor the recovery process of personnel and their families affected by a disaster.

### Volunteer Assistance

Volunteer Assistance offers active-duty service members, family members and retirees an opportunity to learn and develop job skills in a professional and supportive environment while giving back to their military community.

### Clinical Counseling

Clinical Counseling is non-medical, short-term counseling available at no cost to active-duty Sailors and their dependents that encompasses a wide scope of educational, preventive and therapeutic services that promote improved quality of life and increased resilience.

### Sexual Assault Prevention and Response

SAPR supports commanding officers in creating a command climate of prevention that promotes installation-wide sexual assault awareness efforts and management of sexual assault cases, including victim advocacy and support services.
